

All children deserve to start the school year with the supplies they need to succeed.

On average, it costs a minimum of \$50 - \$150 to send a single child in grades K-12 back-to-school with the supplies they need to feel confident, prepared, and ready to learn.

Together, we can prepare 400 homeless with everything they need for a great first day! We invite you to make a difference by:

- Making a donation directly to Wellspring Family Services
- Shopping and/or collecting new items based on the wish list below
- You can donate items individually, invite your family and friends to participate, and/or host a drive at your workplace!
